FOREWORD

With only two qualifying games remaining the intense interest in the fight for the four is being rivalled only by the keen competition in the individual player awards.

When voting went into a secret ballot after the fifteenth round anyone of five players could still win the \$200 Kenwick Motors Best Player Award.

Canning centreman, John Vlahov, was the leader at that stage and would only need to continue his brilliant mid-season form to win the award. However, Vlahov's biggest obstacle to winning the award may be the form of his colleague, Craig Nock.

Nock was also polling well when voting became secret and both players may rob one another of votes.

The same problem confronts Maddington's brilliant rover, Paul Mountain. Most of his team mates are well behind him in the voting purely and simply because they're forced to share the votes with others of equally outstanding ability.

This puts Thornlie's centre-half-forward, Bob Whyte, in a commanding position to take the award. Whyte has led an outstanding season since crossing from East Perth early in the season and has been one of the few bright spots in Thornlie's disappointing season.

The four players mentioned, together with Gosnells wingman, Arthur Jones and his Armadale counterpart, Max Van Helden, can also be expected to dominate voting in the Sports Review Player of the Year Award, The Sunday Times Medal and The Dr Bowden Medal.

Maddington's high-flying full forward, Jim Butler, needs only eleven goals to emulate last season's performance in kicking 100 goals in a

season and the Park Plumbers goalkicking award has been a one-horse race for most of the season.

Butler's goal kicking feats over the last two seasons have stamped him as the best full-forward to have played in the competition.

The counting of votes in the Dr. Bowden Medal and the presentation of all awards will be made at a dinner at the Maddington Football Club on Tuesday, August 17th.

TODAY'S GAMES:

Kelmscott's claims on second place will be put to the ultimate test at JOHN DUNNE OVAL when they meet Maddington. There is no disputing their right to a place in the four but they will probably find the league leaders more than a handful today. Maddington rekindled some sparkle last Sunday which was an ominous sign for other sides in the four.

Canning will be looking for a convincing win against Kalamunda at HARTFIELD PARK to bring their percentage up near Gosnells. There is no doubt they will win but whether they can win by a big enough margin to achieve their secondary aim is a different proposition. The incentive is certainly there.

Kenwick are likely to assume second place on the ladder by defeating Mandurah at MANDURAH OVAL. The "Vicks" will use this game and next week's against Kalamunda to hone their game for the finals series. They will win well.

Gosnells face a danger game against Kwinana at GOSNELLS OVAL. Kwinana are keen to prove they're the best side outside the four and with no chance of qualifying their only way of proving the point is to win their remaining qualifying rounds. Gosnells play a more consistent brand of football which could be a telling factor against stop-start style.

Armadale meet Thornlie at GWYNNE PARK and while Armadale will concede a big height advantage they are a sufficiently talented side to win.

TALK OF BULL

Last week's encounter against Armadale proved successful in both Grades.

The league game was highlighted by some very good high marking and kicking, Paul Mountain showed out early with three goals, others to do well in the first half were Rod Mohr, Greg Sherrington and Jim Cominelli.

The second half Maddington got on top of their opponents and finally ran out comfortable winners. Those to show out for the whole game were Rod Mohr, Jim Cominelli, John Duthie, Ian Saunders and Noel Knight.

The seconds side had an easy win, but wasted a lot of the ball through hap-hazard kicking, come on fellas if you want that flag you will have to concentrate for 100 minutes. Those to stand out were Mark "Doc" Platell, Doug Bushell, Dudsy Reynolds and Rooster Jarvis.

The under age teams did well last weekend recording three wins from four goals, good work boys and coaches and managers. All junior sides should make the finals — Good luck to you all.

Members get those raffle books back in fully sold. We need an effort from all members if we are to keep our prices down. It's up to you Members.

Don't forget our player cabaret coming up on 20th August, all players will be there foks, so come along and meet our team, they need your moral support, to bring these flags to the home of the Bulls.

Last but not least Happy Birthday Greetings are in order for "Megna" Slavin.

THE KNIGHTS NOTES

Last week we played our final game of the season on Medina Oval and although hoping for a double victory we couldn't quite manage it. Congratulations must go to both sides for refusing to throw in the towel until the final siren sounded.

The league side turned in a good four quarter effort to go down to Kalmcsott 11.15 to 8.13. They refused to give in to the more talented opposition at any stage and some very spirited encounters occurred during the course of the game. Best players were Butch Keep (ran all day), Danny Roberts (superb in a back pocket), Allan Draggatt (outpointed his opponent easily) and Dave McGlade (plays well wherever he is placed).

There is still a slight possibility the second may snatch fourth place (if they beat Gosnells today) after beating Kalmcsott in a high-pressure game last week. Final scores were 13.9 to 11.8. Best player was Noddy (11 goals) who also played a full league game. He was ably supported by Sandy Muir, BETT Butler (welcome back) and Ron Roberts. The pressure goes again this week and a win is an absolute must.

With two games to go for the qualifying round all players are required to put in a one hundred per cent effort to finish the season on a high note. Lets work together and start by beating Gosnells today and having a victory drink with them afterwards.

TIGER TALES

Following our second successive loss, our struggle to secure fourth berth on the premiership ladder has now collapsed to the stage where we now must rely on Kwinana beating Gosnells today, if we are to make it. Gosnells have seemed to recover from their slump of several weeks ago, however, and may thwart our chances by recording a victory over Kwinana. We remind Kwinana of our promise of an 18 gallon keg should they win.

If Gosnells lose fourth spot, it would be decided on the outcome of the Canning v Gosnells clash at Wyong next Sunday and would certainly draw a record crowd at our home ground.

The loss of our first two games of the season, against now bottom sides Mandurah and Armadale, is considered by many to be the reason we are not comfortably imbedded in the top four. Perhaps so, but when one considers our conversion ration in the last two games has been 18 goals to 40 behinds, well...

The coveted Coronation Hotel \$200 Bumper Board voting will remain closed from now until the end of the season. A very keen tussle exists here, with some six players within two points of the lead. This award will be counted as a prelude to our Fairest and Best Medal award to be held on the Tuesday following the last qualifying round.

THE BULLDOGS

This Sunday we meet Maddington at home in what promises to be the match of the day. Both sides have been indulging in on-off football in recent weeks but the importance of this match should bring out the best in both sides.

Although Kelmscott gained the four points against Kwinana last week the game lacked interest and was must un-inspiring. Kelmscott were unable to open up their flow on styl on the cramped Medina Oval and the greasy conditions brought about many errors.

Kim Turner at centre half-back and Brian Andrijich on the ball displayed the true qualities of a Bulldog; with guts and determination they out pointed their opponents for four quarters and provided many attacking opportunities.

Phil Farmer's efforts on the wing and roving should be a lesson to some of the more experienced players. Phil didn't stop running all day and collected a swag of kicks.

In the reserves a desperate Kwinana combination took the honours from a Kelmscott side which must shake off the complacency which is preventing them from giving their best. Kwinana showed they WANT to be there at finals time! What about us?

Best players for the reserves were Percy Hansen, Bill Middleton, Tony Hildebrandt and a welcome return of Alan Maffina.

IN THE LIONS LAIR

Last Sunday saw Thornlie register a winning double against a very depleted Mandurah club. Congratulations to our players who in patches provided Lion's supporters with some exciting passages of play.

In the Reserves tempers became frayed in the first half and a brawl almost resulted. After the incident the home side steadied and turned a 5 goal deficit into a 10 point win. There were numerous good players but for a four quarter effort Andy Howitt could not be overlooked. His was a faultless display of defence work. Steve Phillips performance was highlighted by winning many hit outs and strong around the ground marking. Eddy Kavanagh proved that guile and experience can win many kicks, while the pace of Kim Patullo and Laurie Hunt in the second half helped the side on the road to victory.

In the league side poor kicking prevented a mammoth win. A 9 goals 10 points first quarter sealed Mandurah's fate, then the rain came and turned the game into a scrambling, uninteresting affair. Alan Osborne in the role of ruck-rover proved to be the player of the match and his effort was courageous and creative. Geoff Winston's game was full of merit. Playing on a half forward flank he used accurate kicking and handball in a skilful manner. Bruce Duplock's ability to extricate himself from difficult situations stamps him as a player of the future, and his was an eye-catching game in the pivot. Bob Whyte (6 goals) and Peter Gurney also contributed strongly to the team's win.

Thanks to Mandurah supporters who participated in our after game social and I trust it will be reciprocated next season.

Today's encounter with Armadale promises to be an interesting one after a close result at the last meet. However Thornlie will be anxious to take of the double again and continue their end of season good form.

Later on.

MIGHTY ROYALS

Many things can be said about the Kenwick League side, but I'm sure all would agree that they certainly know how to fight to the bitter end. And that's what they had to do against a very determined Canning Side. Canning could think themselves unlucky as their inaccuracy in front of goals was surely their downfall, but on the other hand the Royals never say die attitude and their complete reversal of form after half-time was a real crowd pleaser. The first half saw a very lethargic, undisciplined Kenwick side fight to keep within Canning's score. Their tagging of players and indirect kicking into the forward line was atrocious and they could thank the Tigers poor goal scoring to be only 14 points down at the mid-term interval. Moves by Coach Neil Dedman by placing Neil Benevenue and Kim Lofts into the ruck started to prove dividends and Alf Stal who again was playing very well, began to get the ball away from the centre. Half way through the third quarter Jim Gilbert took a fine mark and finished it off with one of his four goals, but the goal that really started the fight back came from the boot of Alf Stal. Running towards the boundary and under pressure his fine left foot kick brought up one of the finest goals seen by many supporters for some time. Under wet and slippery conditions the Royals wore down the tigers and went on to record a hard well fought 20 point win. Many players improved in the second term, but for all day performances none tried harder than Doug Backhouse and Brian Thompson.

SECONDS: Not a great deal can be said about the seconds as there only quarter of football came in the first fifteen minutes of the game and in the 1st quarter Canning's disorganised method of play upset our style of football, but we should of used it to our advantage and not as we did. Better players for the day were Wayne Robins, Alan "Skeeta" Earnshaw, Wayne Hill and Ray Shepherd. There's a great deal of work to be done before the finals.

Congratulations to Wayne Hansens U/18 Side in recording their first win this year. Perseverance fellas always pays off. Your support at the Seniors Games are well received. Be there for the big double.

DEMONS DIGEST

'NOT FOR NIX - IN '76!'

To-day, in our last home game of the season, we are hosts to Thornlie F.C., the Lions. All Lions are invited to our friendly after-match social. That includes umpires, by the way.

On this last home game, I would like to express a sincere thanks to all the men, women, youngsters, sponsors, donors, and most of all our supporters who have backed this club week after week, with their work, money, and encouragement. The club is asking for just a bit more support before the season ends, with their raffle, wind-up, and their A.G.M. on 2.8.76 at Gwynne Park, 8 p.m. Full details available from any committee member. Last week against Maddington, the League side's performance is better forgotten, in a game that saw far too few players willing to make a fight of it. Better players for the day were Gary Greer, Peter Van Helden, Matt O'Mara, Charlie Tenardi and Peter Wilkes.

The Reserves belied the fact that the top team was playing the bottom team, with a good gutsy get-stuck-into-'em game. They lost this game full of merit. Best players: The Team.

The Under 18's are well and truly on their way back as top dogs. With a 31 points win over Gosnells at home last week, things look nothing but rosy. Best players were Ivan Vudrag (one guess!) Veg Fulgrave and Tracker Sheppard. Now that you've got them by the throat fellas, strangle them.

150TH LEAGUE GAME TODAY FOR BRIAN "KILLER" DAVEY. Today sees Killer (lately known as Abdulla) play his 150th League game for the Demons. To mark the occasion the Club will award Killer with a life membership, the highest award the club can bestow on any member of the club. On behalf of everyone in the Club, I extend their most sincere congratulations and hope that to-day's game will be a fighting tribute to your long and loyal service with the Club. It has taken Killer nine years to reach this milestone, and he's still only a young fella at twenty-four. In those nine years Killer has served on every committee, and in 1974 was appointed League Coach. It was in that season that Killer played in his most memorable game, and that was their magnificent win at Mandurah, coming from behind when the odds were stacked against them. It was in that year that yours truly joined this club, and since that time I've found that Killer's biggest attribute is his ability to laugh at himself, something all too rare these days. Killer, old son, today belongs to you, you've earn't it, mate

PEEGEE

THE HAWKS

Congratulations to both the league and reserves sides for magnificent double victories registered against Kalamunda last week. Although Kalamunda are the bottom side the wins were significant as their scores were kept very low and of course ours were high. We definitely look a much improved team and naturally predict another victory today against Kwinana.

Best players for the league were Peter Dougan on the half back flank. Ken Reynolds at centre and Geoff Reynolds playing at centre half forward.

Best players for the reserves were Dick Morphett as ruck rover, Brian Antunovich who's been playing consistently in the ruck and Laurie Wenn playing at half forward flank.

As the finals are approaching the players will have to train harder in order to improve their game and I know the selectors will be watching for improved attendances.

SOCIAL:

The clubs sportsmans night held on Wednesday July 28 proved to be a most successful evening with all those attending having a most enjoyable time. We would like to thank all those club supporters who attended and contributed to the functions success. Special mention must also be made to all the sporting personalities who so generously provided their valuable time and talent in entertaining us.

Fruitful negotiations are still being carried out for the finance of the new extensions to the sportsmans club. January 1977 should see the commencement of this long awaited project.
